

The AEGIS Character Education Program is available for grade levels K thru 6. Each level builds upon what was taught in the previous year, providing seven years dosage during the students' formative years.

The classroom binder includes 35 complete lessons - *five for each of the seven concepts* - enough for the whole school year. Priced at under \$8 per lesson, this program is a great value.

The curriculum includes completely developed, scripted lesson plans, stories, games, worksheets, activities, journal pages, parent letters, reproducible student materials, and more.
